

Dynamic Microscopy 2005

November 15, 2005
Microscopy Workshop

November 16, 2005
„Demonstrator Day“

- **Demonstrations From Our Sponsors**
- **Test your own samples on the state of the art microscopes**

- **Single-Molecule Microscopy**
- **Dynamic Confocal Imaging**
- **Multiphoton Microscopy**
- **Fluorescence Recovery After Photobleaching**

November 17, 2005
Guest Speaker

Prof. Ulrich Kubitscheck (Bonn)
„Nucleocytoplasmic and intranuclear transport at the single-molecule “

Location: Rudolf-Virchow-Centre
DFG Research Centre
University of Würzburg
Versbacher Str. 9
97078 Würzburg

Contact: Gregory Harms
Peter Friedl
